QUESTION & ANSWER

Councillor Hopkins – Was the Town aware that when the lift station at Washing Brook was pumped out, a resident next to it received backup and a terrible odour inside their house?

-No, we were not aware but in future we will notify the company hired that prior to pumping out any lift stations they must fill it first with water.

Councillor Squires – Can we ask OPRAAC to put the netting up at the rink because the house behind is getting damaged?

-Yes, we can.

Councillor Tizzard – What is happening at the playground?

- We are holding a meeting tomorrow night with the RCMP to address all the issues with the playground.

Councillor Tizzard – Can we change lights from one pole to another for Greens Lane and put a light on the pole by the transmitter at the entrance to Jhon Hoskins Community Center and if there any cost in doing this?
