TC/M Report

-The Community Day events that went ahead, went very well.

- The Crab Supper was a huge success, thank you to all of you that helped us.

- Tomorrow is the Mayor's birthday.

- We have decided not to move forward this year with a seafood festival but rather to wait until next year and plan it properly.

- We had hoped to see more people at the Mayor's March that went ahead at the start of the festivities.

- I spoke to the Fire Commissioner today, they are getting things moving with the production of the new Fire Truck.

- I had to speak with the insurance company once again but things are now corrected and the first payment of $40,000 should soon arrive. I am still waiting for information to provide backup for the wages incurred to get that cost reimbursed for Long's HIll Booster Station.

- I have now completed the first section of ATIPP training and am registered for more later this month.

- Schedules of the events for community days were put in every post office box and were posted around town as well as on our Facebook page.
